Planning Application for replacement Entrance & Directional Signs at Whitby Holiday Park

~ Statement & Supporting information ~

Application Description

Planning Application for the replacement / erection of 2 signs at Whitby Holiday Park.

Applicant :- Normanhurst Enterprises Ltd, 9 Burscough Street, Ormskirk, Lancashire. L39 2EG

This Planning Application is for two new replacement signs to replace existing signs at Whitby Holiday Park.

Sign 1. The existing road junction entrance sign off Hawsker Lane is proposed for replacement with a two sided "V" sign erected at 90 degrees to each other.

Sign 2. The "Main Entrance Welcome Sign" is to be located almost at the end of the Park access drive immediately adjacent to the Holiday Park and Park access drive.

The purpose of the signs is to provide clear concise signage for visitors to the Park during both day and night who may be unfamiliar with the area. A "drive Slowly" notice is incorporated into "Sign 2" the Main Entrance / Welcome sign for health and safety reasons.
