Dear Mr Hill

**Drilling Operations on behalf of Viking UK Gas Limited
Ebberston Moor 1 Wellsite, Snainton, Scarborough**

I write to you on behalf of our client Viking UK Gas Limited, who has received planning permission for the Ebberston Moor 1 Wellsite. A number of conditions were attached to the permission two of which require the submission of details to the National Park Authority.

Condition 8

Please find enclosed a scheme of noise monitoring produced by Spectrum Acoustics to meet with this condition.

Condition 16

Please find enclosed details covering:- the storage of materials, chemicals, oil and hazardous materials; the proposed method of working; the phasing of the development; maintenance, aftercare and landscaping; and road and wheel cleaning facilities. Also enclosed is a scheme of monitoring of nearby water courses (including groundwater) produced by Envireauwater to meet with this condition.

I hope the enclosed documentation provides sufficient information for the North York Moors National Park to discharge the relevant conditions. However, should you require any additional information please do not hesitate to contact me.

Yours sincerely
For Viking UK Gas Limited
