Reason for Approval

The caravan park is a well established enterprise located on the outskirts of Whitby and is within close proximity to the classified road network. By allowing the caravan park to remain open for an additional eight days taking the season from 1 March to 8 November will not result in an increase in traffic generation or activity which would be likely to detract from the experience of visitors and the quality of life of local residents or otherwise adversely affect the special qualities of the National Park. As such the proposal generally accords with the criteria of Development Policy 16 of the NYM Local Development Framework.
