Dear Mr Flintoft

**Proposed Improvement Works Under the CSF Grant Scheme at Bottom House Farm,
Robin Hoods Bay**

Thank you for your e-mail and plan received at the National Park Office on 25 April 2013, regarding the above.

I have taken the opportunity to assess your proposal and I would advise that under the Town and Country Planning (General Permitted Development) Order 1995 that agricultural prior notification is required for the proposed works. I have **attached** set of the relevant forms for your convenience. If you have any questions relating to the completion of these forms, please do not hesitate to contact a member of the Planning Administration Team.

I hope that the above information is of assistance to you but if you have any further questions or would like to discuss the matter, please do not hesitate to contact me.

Yours sincerely

Miss Helen Webster
Planning Officer
