Dear Mrs Ward

COTTAGE ONE DUNSLEY HALL ref 2014/740

I refer to the above project which is currently in the planning application process following discussions with your Mr Jones. We are writing to withdraw the current application and resubmit as the enclosed application.

I understand the fee payable is increased to £385 and enclose a cheque for £213.00 being the difference to that already submitted.

Please note I am away until the end of the month so could you please e mail any queries arising in order the progress of the application not be delayed by awaiting a response.

I trust the foregoing is acceptable and look forward to receiving favourable outcome for this application.

Yours sincerely

S J McGivern
