Dear Mrs Saunders,

Thankyou for your advise regarding Local occupancy and I can confirm that my place of work is on the southern side of the esk in the nympa and the employment is permanent. I have also checked with Enviromental health and all the rooms exceed the required minium room sizes for a house with residential occupancy. I also checked with N.Y.B.C. and the Barn conformed to all building regs and will be signed off, as soon as the plumber has given me the relevant certificates.

Yours Sincerely
