Dear Sir/Madam

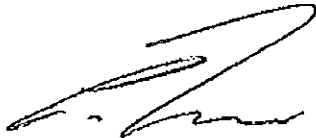

Application under Section 96A of the Town and Country Planning Act 1990 for non material minor amendment to planning approval NYM/2009/0087/FL to allow a change of the materials for the 3 no. garage doors and store door from cedar boarding to powder coated aluminium roller shutter doors at Hillside Bungalow, Sledgates, Fylingthorpe

Thank you for your application registered on 17 September 2010, regarding the above. I am writing, on behalf of the National Park Authority, to advise you that the amendments outlined above and as shown on the submitted plans have been approved, subject to the following provisions:

1. The development hereby approved shall only be carried out in accordance with the amended plans which comprise the change of materials for the three garage doors and store door from cedar boarding to powder coated aluminium roller shutter doors to be coloured the same colour as the approved window colours for the host dwelling. Otherwise the development shall be carried out completely in accordance with the approved plans and imposed conditions of planning approval NYM/2009/0087/FL.

I trust that the above advice is of assistance but if you have any further queries, please do not hesitate to contact Mrs Hilary Saunders again on the above number.

Yours sincerely,

Mr C M France
Director of Planning
