Dear Miss Webster,

Application reference: NYM/2011/0261/FL

Location: Cliff Cottage, Ugglebarnby, Whitby

As a local resident, I would like to object to the proposed extension to Cliff Cottage for the following reason;

The building has already been extended once. To add to the structure as described in the plans, would encroach on neighbouring buildings and wouldn't fit in with the general architecture of the village, but create the look of 'infill' properties that blight other villages in the national park.

However, I would be in favour of a lower structure on the proposed site ie a garage with loft, which would be in keeping with the buildings being replaced.

Yours sincerely

I am opposed to the revised plans for Cliff Cottage for the following reasons:
It encroaches on neighbouring properties, the design doesn't fit with the architecture of the existing buildings.
I would be in favour of a lower structure on the proposed site ie, a garage with loft, which would be more in keeping with the buildings it replaces.

Yours sincerely,

Tom Warlow
