Reasons for Conditions (Continued)

3. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
4. In order to comply with the provisions of NYM Development Policy 12 which seeks to ensure that there is a functional requirement for the building in the long term to justify an exception being made to normal planning policies which seek to restrict new development in the countryside.

Development Plan policies relevant to the decision

Local Development Framework - DP12 – Agriculture

Reason for Approval

The covered feed area hereby approved is considered to be necessary for the efficient operation of this dairy farm and would be well related to the existing farmstead, in terms of size, scale and siting, and would not be visually prominent in the immediate or wider landscape. The proposal is therefore considered to be in accordance with Development Policy 12 of the North York Moors Local Development Framework.
