Subject: Responses from Hawsker cum Stainsacre Parish Council

NYM/2011/0506/FL Application for use of land to form a campsite for tents and construction of an amenity block at York House Caravan Park, Back Lane, High Hawsker
The Parish Council thanks England and Lyle for the letter received regarding this application and makes the following response:
The Parish Council's concerns still remain about the size of the proposed campsite.
It also feels that the amenity block could increase further the number of caravans and tents.
The siting of the treatment plant is too near the stream. There are concerns that the stream could be contaminated.

Thank you,
Virginia Ramsey.
