Dear sir/ Madam,

With reference to the proposed planning permission for the conversion of Hill Top Barn for Mrs Rachel Bentley, we have no objection to this proposal. Mrs Bentley has assured us that change of use to a holistic therapy studio will not increase the volume of traffic through Stonegate as appointments will be on a one to one basis. The studio will not cause noise pollution but it will provide a use for a building which at present stands empty.

Yours sincerely,

Dear Rachel,

Many thanks for your letter regarding Hill Top Barn. "We have no objections to you having a holistic therapy studio there and would hope it could be a successful venture for you.

However, we would have to object if your planning application included any new windows or extension overlooking our garden, which I hope would be understandable.

Apart from that small proviso, we wish you every success.

Yours sincerely,

PTO
