Dear Sir/Madam,

On receiving your letter dated 26th September about application of houses near me, I totally oppose this - 1st disruption and loads of noise, invasion of my privacy. Wild life coming into the village eg Deers, Owls and many more birds, which I watch and spend hours watching, I am a pensioner and have spare time in the cold and wet dark days. If you get the go ahead the houses will be built, occupants will be in them a short while - they won't be able to keep up payments - There is no substantial work round here

unless you know something we don't (RESIDENTS) know, and then they will move out then occupied by others, druggies, albies - immigrants legal or other.

Having lived in this village for 45-50 years a quiet sleepy place, I'm about to have my peace absolutely shattered.

The road is only a B road and doesn't accommodate heavy lorries and contracting equipment not to mention 2 cars per household when they move in if they do.

There is unoccupied property at STAINSACRE HALL dropping down there is plenty of green area round there and plenty of houses in our local paper that arn't getting sold - why you want any more in STAINSACRE I

just don't know. We have no
amenities (shop), no decent public
transport I can go on, but it is
my paper so will finish
-Louis

Also the price of a property within the sought after local area is highly valued because of the outstanding beauty making it difficult for the average person to purchase.
