Dear Arqiva Services Ltd

Application Under Section 96A of the Town and Country Planning Act 1990 for non material amendment to planning approval NYM/2011/0399/FL to allow the re-positioning of the equipment cabin and meter cabinet at land adjacent to Toft House Farm, Main Road, Aislaby

Thank you for your application registered on 21 November 2011 regarding the above.

I am writing, on behalf of the National Park Authority, to advise you that the amendments outlined above and as shown on the submitted plans have been approved, subject to the following provision(s):

1. Notwithstanding the details of the approved plans to NYM/2011/0399/FL, this permission permits a change in location of the equipment cabin and meter cabinet. The development shall take place in all other respects with the approved plans and imposed conditions on planning permission NYM/2011/0399/FL.

I trust that the above advice is of assistance but if you have any further queries, please do not hesitate to contact Mrs Ailsa Teasdale again on the above number.

Yours sincerely
