Hawsker cum Stainsacre Parish Council

NYM/20120059/FL Application for construction of a double garage attached to dwelling and creation of vehicular access at 5Mill View, Hawsker.

The Parish Council objects to this application.

Reasons are as follows:

The question was raised whether or not this house is going to be lived in?

The height of the proposed garages blocks the view for other houses.

The proposed development is too large for the proposed site.

The proposed development would produce a built up block which is not acceptable.

It would set a precedence which could cause problems in the future.
