

This colour chart represents **weber.pral M** through coloured render.

A sample of each colour on display in this colour chart is available to order free of charge from **Weber**.

To order your samples visit our website www.netweber.co.uk or call **08703 330070** (press 1 for sales).

You can also order your samples by talking direct to your local **Weber** representative.

Please note that the colour representations (where there is no sample present) are as close as printing techniques permit. For this reason you must make your final selection against an actual sample.
