Subject: Comments on NYM/2012/0354/FL at Grosmont Parish Council, 1 Park View, Glaisdale, Whitby, North Yorkshire, YO21 2PP - Case Officer Mrs Ailsa Teasdale

Grosmont Parish Council objects to this application for the following reasons:

1. It is in a prominent rural location, not within the village boundaries.
2. The extension is not subservient to the current building 3. The extension is almost double the size of the current property, yet does not provide additional facilities upstairs.
4. The proposed extension is not sympathetic to the location - this will be seen from the roadside, and the other side of the valley.
