TOWN AND COUNTRY PLANNING ACT 1990

Continuation of Decision No. NYM/2012/0612/FL

**Conditions (Continued)**

3. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2012 (or any order revoking and re-enacting that Order), no development within Schedule 2, Part 43, Classes A to F shall take place without a further grant of planning permission being obtained from the Local Planning Authority.
4. The dwelling unit hereby approved shall not be used for residential purposes other than holiday letting purposes. For the purpose of this condition 'holiday letting' means letting to the same person, group of persons or family for period(s) not exceeding a total of 28 days in any one calendar year.
5. The timber cabins hereby approved shall not be occupied at all between 14 January and 10 February inclusive.
6. The external surface of the roof of the building hereby permitted shall be clad with Greys Artstone tile in w.blue slate and thereafter be so maintained unless otherwise be agreed in writing with the Local Planning Authority.
7. The external elevations of the log cabins hereby approved shall, within three months of first being brought into use, be clad in rough sawn horizontal pressure treated timber boarding from North Yorkshire Timber as seen on site on 3 October 2014 and shall thereafter be so maintained unless otherwise agreed in writing by the Local Planning Authority.
8. All new window frames in the development hereby approved shall be coloured dark grey within six months of the date of installation and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
9. No work shall commence on excavation works to install drainage to serve the development hereby permitted until full details of the proposed means of disposal of foul and surface water drainage have been submitted to and approved in writing by the Local Planning Authority. The development shall not be brought into use until the drainage works have been completed in accordance with the approved details.
10. No work shall commence to clear the site in preparation for the development hereby permitted until full details of the hardsurfacing to be utilised on the site have been submitted to and approved in writing by the Local Planning Authority, including a timetable to implement the proposed works. The hard landscaping works shall then be implemented in accordance with the approved details. The hard landscaping shall be maintained in perpetuity unless otherwise agreed in writing by the Local Planning Authority.
11. No work shall commence to clear the site in preparation for the development hereby permitted until full details of the access surfacing have been submitted to and approved in writing by the Local Planning Authority. The access surfacing shall then be implemented in accordance with the approved details and shall be maintained in that condition in perpetuity.
12. No development shall take place on site until the applicant has secured the implementation of a programme of archaeological work in accordance with a written scheme of investigation which has been submitted by the applicant and approved in writing by the Local Planning Authority.

TOWN AND COUNTRY PLANNING ACT 1990

Continuation of Decision No. NYM/2012/0612/FL

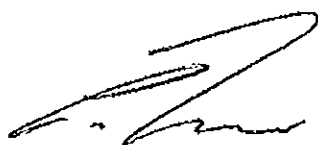

**Conditions (Continued)**

13. No preparation works shall commence in relation to the construction of the foundations for the cabins hereby approved until details of the construction of the foundations and cabins have been submitted to and approved in writing by the Local Planning Authority.
14. No work shall commence on the installation of the water supply until full details of a method of supplying the cabins with a potable water supply have been submitted and approved in writing by the Local Planning Authority. These details shall also include details of where the pipes will be laid to allow an appropriate assessment of the proposal in accordance with the archaeological assessment. The development shall not be brought into use until the water supply has been completed in accordance with the approved details.
15. Ground works shall only take place on the site between 31 August and the end of October unless otherwise agreed in writing with the Local Planning Authority.
16. The proposed mitigation works identified in the Phase I Habitat ecology survey received at the National Park Authority on 25 July 2013 shall be strictly adhered to and the ten bird boxes shall be installed on the land within one month of the first occupation of the first holiday cabin, unless otherwise agreed in writing with the Local Planning Authority. Full details of the location of the bird boxes shall be submitted to and approved in writing by the Local Planning Authority prior to siting.
17. In the event that the cabins hereby approved are no longer required for holiday letting purposes they shall be removed from the site within a period of six months of last use and the site shall be restored in accordance with a scheme to be first agreed in writing by the Local Planning Authority.
18. No external lighting shall be installed in the development hereby permitted until details of lighting have been submitted to and approved in writing by the Local Planning Authority. The lighting shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity.

**Informative**

1. The proposed development lies within a coal mining area which may contain unrecorded mining related hazards. If any coal mining feature is encountered during development, this should be reported to The Coal Authority. Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 08457626848 or at [www.groundstability.com](http://www.groundstability.com)
2. This consent is issued subject to the terms of the Agreement (under Section 106 of the 1990 Town and Country Planning Act) dated 6 March 2015 between the North York Moors National Park Authority and Paul Craven and Caroline Craven and Aislaby Stone Limited to ensure ownership remains as part of Aislaby Quarry (Eskdale Stone) and to ensure the management of the adjoining woodland in accordance with the submitted Management Plan.
