To whom it may concern:-

I am writing to offer my support to messrs Shardlow of Beacon Farm, Sneaton. They are wanting to build a house at Beacon Farm. The house will be built on their own land from which they run their business.

"I can see no detriment to ourselves as neighbours or to anyone else in the village. I understand the house is for their son who works full time in the business."

Also it would be a welcome asset to the village to have more young people. We need young families in our small village for the future of the community.

Yours sincerely,

Heather Thompson (Mrs)
