Dear Sir/Madam.

I am writing to support Mr. C .Shardlows planning application for a dwelling at Beacon Farm, Sneaton, Whitby.

Beacon Farm is a thriving business in the heart of our small community at Sneaton ,It provides a café, shop, ice-cream parlour and play area .

Mr C Shardlow helps run this business with his family and therefore has a need to be living in the village. Small villages like Sneaton need people like this to live locally and to stay part of our community and raise their families here.

The family are all local and fully support the church ,village hall and any fund raising activities in the village.

Reasons to approve this planning

- The house is not intrusive
- The access is existing
- There is a proven need
- Satisfies the local occupancy conditions

Yours sincerely

Rose & Dennis Stainthorpe

Dear Sir,

As a resident of Sneaton, I have no objections or problems with Chris Shardlow's proposed plans. I would love to see Chris stay in the village and carry on his family business that I know they are dedicated to. I have lived in the village for many years and over these years have slowly seen a decline in the number of youngsters residing in the village. Chris is also one of few younger members who takes an active part in the village activities, including church yard maintenance and hosting fund raising activities on the farm.

Regards
