Subject: Comments on NYM/2012/0810/LB at potential customer, 23 Fieldside, Northstead, Scarborough, YO126BD - Case Officer Mrs H Saunders

As a potential customer, I think it is a brilliant idea, as there are very few function rooms available to hold a big function. As a child I went to Hackness primary school. So the area I have a very strong connection to. With regards to the alterations if they are not agreed how is the hotel expected to continue running at a loss which is why the Turners had to leave. It may end up being an abandoned hotel. I know what people would rather see and have.
