The above named Authority being the Planning Authority for the purposes of your application validated 04 March 2013, in respect of proposed development for the purposes of **construction of 1 no. agricultural workers dwelling following demolition of agricultural building at Plainsides Farm, Ugglebarnby** has considered your said application and has **granted** permission for the proposed development subject to the following condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved or in accordance with any minor variation thereof that may be approved by the Local Planning Authority.
3. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2008 (or any order revoking and re-enacting that Order), no development within Schedule 2, Part 1, Classes A to H Schedule 2, Part 2, Classes A to C and within Schedule 2 Part 40 Classes A to I of that Order shall take place without a further grant of planning permission being obtained from the Local Planning Authority.
4. The occupation of the dwelling shall be limited to a person solely or mainly employed, or last employed, in the locality in agriculture as defined in Section 336 of the Town and Country Planning Act 1990 (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order), or in forestry, or a dependant of such a person residing with him or her, or a widow or widower of such a person.
5. No work shall commence on the construction of the walls and roof of the development hereby permitted until details of the stone and tiles, including samples if so required by the Local Planning Authority, to be used for the external surfaces of the development (including dressings) have been submitted to and approved in writing by the Local Planning Authority. The materials used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.

Conditions (Continued)

6. No work shall commence on the excavation works for the development hereby permitted until a one metre square freestanding panel of stonework showing the type of stone and stonework to be used in the construction of the development hereby permitted has been constructed on site and approved in writing by the Local Planning Authority. All new stonework shall match that of the approved panel both in terms of the stone used and the coursing, jointing and mortar mix and finish exhibited in the panel unless otherwise agreed in writing by the Local Planning Authority. The stone panel constructed shall be retained until the development hereby approved has been completed.
7. No work shall commence to stain/paint the windows in the development hereby approved until details of the paint colour/finish of the windows has been submitted to and approved in writing by the Local Planning Authority. The work shall not be carried out otherwise than in accordance with the approved details, completed within six months of the date of installation and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
8. The external face of the frame to all new windows shall be set in a reveal of a minimum of 75 mm from the front face of the adjacent walling and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
9. All new window frames, glazing bars, external doors and door frames shall be of timber construction and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
10. The guttering to the development hereby permitted shall be directly fixed to the stonework by means of gutter spikes with no fascia boarding being utilised in the development and shall thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
11. The rainwater goods utilised in the development hereby permitted shall be coloured black and shall thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
12. No work shall commence on the installation of any external fixtures to the building to which this permission relates until details of all external fixtures have been submitted to and approved in writing by the Local Planning Authority. The details should include for provision for any exterior lighting, meter boxes, signage, wall or roof flues, television antennae and satellite dishes that may be proposed to be installed. The external fixtures shall be installed wholly in accordance with the approved details.
13. The dwelling hereby approved shall not be occupied until splays are provided giving clear visibility of 45 metres measured along both channel lines of the minor road (Low Farm to Sneaton) from a point measured 2 metres down the centre line of the access road. The eye height will be 1.05 metres and the object height shall be 1.05 metres. Once created, these visibility areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.

Conditions (Continued)

- 14. There shall be no access or egress by any vehicles between the highway and the application site until details of the precautions to be taken to prevent the deposit of mud, grit and dirt on public highways by vehicles travelling to and from the site have been submitted to and approved in writing by the Local Planning Authority in consultation with the Highway Authority. These facilities shall include the provision of wheel washing facilities where considered necessary by the Local Planning Authority in consultation with the Highway Authority. These precautions shall be made available before any excavation or depositing of material in connection with the construction commences on the site and be kept available and in full working order and used until such time as the Local Planning Authority in consultation with the Highway Authority agrees in writing to their withdrawal.

Informative(s)

- 1. In relation to condition 13 an explanation of the terms used above is available from the Highway Authority.
- 2. All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately and Natural England contacted for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given Natural England's contact details: Natural England, Government Team (West), Government Buildings, Otley Road, Leeds, LS16 5QT, Tel: 0300 060 4230. Further information is also available from the Bat Conservation Trust national helpline on 0845 1300 228.

Reason(s) for Condition(s)

- 1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
- 2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
- 3. In order to enable the Local Planning Authority to retain control over future alterations to the property in the interests of safeguarding the existing form and character of the building in line with NYM Development Policy 3 and NYM Core Policy A, which seek to enhance and conserve the special qualities of the NYM National Park and secure high quality design for new development.
- 4. The site of the proposed dwelling is in an area where NYM Core Policies B and J and Planning Policy Statement 7 seek to restrict new residential development to that which is essential to the needs of local agriculture.
