The above named Authority being the Planning Authority for the purposes of your application validated 24 June 2013, in respect of proposed development for the purposes of **erection of a wooden shed at Swallows Nest Cottage, Newholm** has considered your said application and has **granted** permission for the proposed development subject to the following condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved or in accordance with any minor variation thereof that may be approved by the Local Planning Authority.
3. The development hereby permitted shall be used for domestic storage incidental to the occupation of the main dwelling on the site and for no other purpose. There shall be no alteration or conversion of the building hereby permitted to permanent residential accommodation and any such use or alteration will require a separate grant of planning permission from the Local Planning Authority.

Informative(s)

The proposed development lies within a coal mining area which may contain unrecorded mining related hazards. If any coal mining feature is encountered during development, this should be reported to The Coal Authority. Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 08457626848 or at www.groundstability.com

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
3. In order to enable the Local Planning Authority to control any future changes to the building which is in a location where the formation of a separate dwelling unit would not normally be permitted in line with NYM Core Policies B and J and would be likely to adversely affect the amenities of existing and future occupiers of the site.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
