Application NYM/2013/0561/FL Application in respect of change of use of land and construction of 1 no. dwelling, with detached garage, creation of access, parking and landscaping works at land adjacent Morfa Cottage, Station Road, Hawsker.

The Parish Council objects to this application because it is proposed to use the wrong material. All other houses in the area are made of brick. The house is out of proportion and scale; it is too big a scale in comparison to the other houses.

Also it is not an infill plot because road frontage is too big.

The Parish Council is also concerned that, as yet, no notice has been posted with regard to this application.

Virginia Ramsey  
(Parish Clerk)
