The above named Authority being the Planning Authority for the purposes of your application validated 30 September 2013, in respect of proposed development for the purposes of **construction of replacement garage/workshop building at Moorgate Leas Farm, Hawsker** has considered your said application and has **granted** permission for the proposed development subject to the following condition(s):

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved or in accordance with any minor variation thereof that may be approved by the Local Planning Authority.
3. The development hereby permitted shall be used for domestic storage incidental to the occupation of the main dwelling on the site and for no other purpose. There shall be no alteration or conversion of the building hereby permitted to permanent residential accommodation and any such use or alteration will require a separate grant of planning permission from the Local Planning Authority.
4. The external walls of the development hereby permitted shall be constructed in natural stone, which shall be coursed and jointed in the local tradition.
5. The roof of the development hereby permitted shall be clad with traditional, non interlocking, non pre-coloured natural red clay pantiles and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

Informative(s)

All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
3. In order to enable the Local Planning Authority to control any future changes to the building which is in a location where the formation of a separate dwelling unit would not normally be permitted in line with NYM Core Policies B and J and would be likely to adversely affect the amenities of existing and future occupiers of the site.
- 4 & 5. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and confirmed to the applicant/agent that the development is likely to maintain the economic, social and environmental conditions of the area.
