Subject: Responses to applications from Fylingdales Parish Council

NYM/2014/0583/CU Application in respect of change of use of 2 no. gypsy wagons from domestic to holiday use at Red House, Thorpe Lane, Fylingthorpe.

The Parish Council supports this application because it is an interesting alternative to the usual caravan sites.

However concern was expressed about the possibility of this setting a precedence for othe back gardence to be used in this way.

(Parish Clerk)
