Dear Cheryl

On receipt of your letter dated 15th April concerning the proposed variation to application NYM/2013/0872/FL, I immediately emailed members of Danby Group Parish Council with the details. I asked for responses by 24th April due to my imminent departure for 2 weeks leave. Unfortunately I received few responses within the timescale I had set & was therefore unable to send you a response. Consequently, given the importance of the proposed variation with regard to the local occupancy condition, I tabled it for discussion at the next available Council meeting scheduled for Wednesday 20th May.

The application was debated at last nights meeting and a resolution passed by a majority of 5 votes in favour to 2 against that Danby Group Parish Council objects to the variation of the original application and that all 3 units should be designated local occupancy dwellings on the grounds that there is a local need for this type of housing.

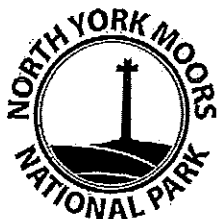

Councillors were made aware that the consultation period was for 10 days from the date of your letter, dated 15th April 2015, but nevertheless resolved that I should write to you as the Planning Officer dealing with this matter.

Regards

Dave
