Dear Mr Coates

Application for condition verification check of Conditions 6, 7 and 12 of Planning Approval NYM/2014/0266/FL at land at Fairfield Way, Whitby Industrial Estate

I refer to the details submitted in relation to the above verification check which was registered on 16 January 2015.

I would advise you that having assessed the information submitted with the above Verification Check; I can confirm that the agreed brick, in pursuant to Condition 6 is either Hanson's light textured "brown russet" or "old English russet", not the smooth faced "golden brown sand faced". In pursuant to Condition 7 of the above planning permission, the roof colour should be Kingspan's "Merlin Grey" or "Anthracite" but not "Goosewing Grey" which is too light.

In terms of Condition 12, whilst the details provided to the Highway Authority are satisfactory, the crossing has not yet been constructed. You are reminded that the crossing needs to be constructed in accordance with the approved details before any other works are undertaken.

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Hilary Saunders (Planning Team Leader) at the above address.

Yours sincerely
