Dear Cheryl Ward.

Hello, I am enclosing an application to change the garden closing times to 19.30 hours.

We feel that especially during summer trading the garden would benefit from longer opening hours, thank you.

Please let me know of the outcome of this amendment to opening/closing hours which would be applicable throughout the year.

Yours Faithfully

Andrew

Can I push the closing
time to 9.30pm?

Please.

Do I have to complete
the forms again in order
to do this change?
