

North York Moors
National Park Authority

Application/
Case No. 2015/0428

FILE NOTE

Date: 17 July 2015

Telephone conversation with Mr Torrey who confirmed length and width of veranda as follows:

Length: 5.50 METRES

Width: 1.52 METRES (Calculated by subtracting shed width (3.35m) from roof width (4.87m))

Also stated that an amended location plan will follow next week once the red/blue lines have been added. Signed Certificate B also on the way.

to me

Hi Linda.

I have only found the roof measurements which are 18ft long and 16ft wide. Will seems to think the summer house itself is 18ft x 11ft the veranda should be 5ft. The previous one was 18 x 16 with the veranda included. I hope that makes sense. Regarding the stain, because you are a valued customer we can offer the service for £170.

If there is anything else we can help you with please contact me and good luck.

Kind Regards Angela Champion
Secretary of Yorkshire Shed Company.
