Subject: Re: Conversion of Outbuildings to Form Residential Annexe Accommodation Together with Construction of Single and Two Storey Extensions to Farmhouse at Redmire Farm, Tranmire - NYM/2015/0433/FL

Dear Mrs Ward,
Thank you for your email regarding the application for Redmire Farm your ref NYM/2015/0433FL and our discussion this morning.
I would confirm that the application is now only for the conversion of the outbuilding to a family annex and not for holiday accommodation.
In addition the applicant does not now wish to include the extension to the side to create a morning room with bedroom above as part of this application.
I have attached the revised plan for the family annex as discussed, I hope this one gets to you as the one emailed in December appears to have disappeared in transmission.
I would also confirm that the proposed elevations for the family annex are as the application and will not be affected by the revised floor plan.
Best Regards
Don Watt
