Conditions (Continued)

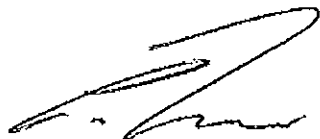

6. No trees, shrubs or hedges on the eastern boundary of the site shall be felled, uprooted, wilfully damaged or destroyed, cut back or removed without the prior written consent of the Local Planning Authority. Any work approved shall be carried out in accordance with British Standard 3998:2010 Tree Work - Recommendations. Reasons for Conditions

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
3. The Local Planning Authority considers the site is in a position where the permanent occupation of the accommodation hereby permitted as a separate independent dwelling unit would be likely to be detrimental to the residential amenities of existing and future occupiers of the holiday accommodation and the nature of the accommodation is unsuitable for residential purposes other than short-term holiday letting in accordance with Development Policy 16 of the NYM Local Development Framework.
4. In order to comply with the provisions of NYM Core Policy A which seeks to ensure that new development does not detract from the quality of life of local residents.
5. In order to enable the Local Planning Authority to retain control over the scale of activity at the site and to comply with the provisions of NYM Core Policy A which seeks to protect the landscape quality of the National Park.
6. In order to comply with the provisions of NYM Core Policy C which seeks to conserve and enhance the quality and diversity of the natural environment.
