NYM/2015/0533/R3 Application in respect of application under regulation 3 (Town and Country Planning General Regulations 1992) for construction of mosaic to cover inner face of parapet at sea Wall Parapet Robin Hood's Bay.

The Parish Council supports this application with the following conditions: The mosaic has to be done in conjunction with the Parish Council, local people and Scarborough Council engineers with regard to the fixings. The Parish Council supports the removal of the handrail but it must be done with Scarborough Borough Council engineers so that the finish of the wall is suitable for where it is and the parapet is protected.
