Hi Hilary,

Please see attached a copy of amended drawing D10892-05B. This now shows sectional elevations to the North and South running from the Main road A169 to the rear (West) boundary.

We have shown existing (dashed line) and proposed ground levels which show that the revised scheme more closely follows existing topography. Also a slight horizontal band of brickwork at ground floor level has been introduced to provide horizontal emphasis.

Let me know how consideration is going and if the scheme will receive delegated approval?

Thanks  
Neil
