Subject: Re-roofing the conservatory at The Falcon Inn - NYM/2015/0894/FL
Attachments: Conservatory Falcon Inn - amended elevation 1505-2A.jpg

Dear Hilary

Further to our recent phone conversation, I attach a copy of drawing no. 1505-2A indicating a reduced roof pitch to the conservatory. I trust this alleviates the concern regarding the ratio of exposed walling to slated roof.

Best regards

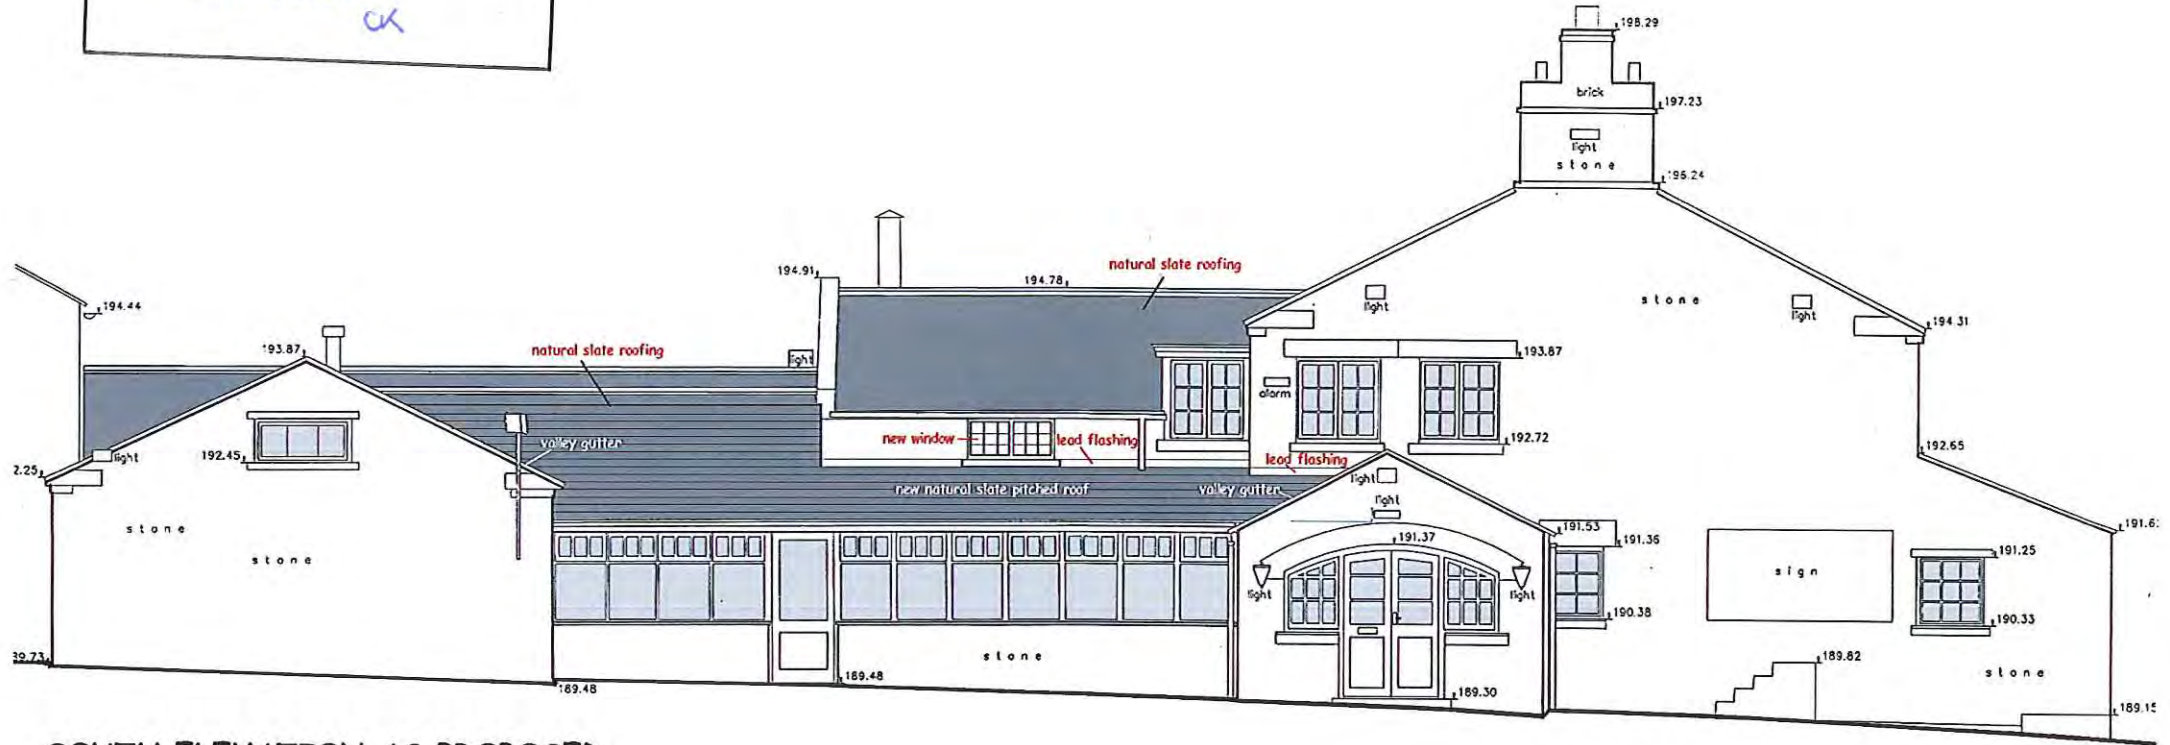

Richard
