Subject: Responses from Fylindaes Parish Council

NYM/2015/0232/FL Application in respect of temporary erection of marquee together with erection of flue pipe (part retrospective) at Victoria Hotel, Station Road, Robin Hood's Bay.

The Parish Council objects to this application because of the problems with music that greatly disturbs the neighbours. The music has been known to go on all night. The application needs to be looked at alongside the licence when the hotel was bought. Restrictions on this licence prevent what the owner is doing. The licence states that there is to be no drinking or music outside after 10.00 p.m.

The Parish Council also considers the marquee to be an eyesore
Also the Parish Council is very concerned that the hotel has a gazebo at the bottom of the garden which has been erected without permission.
