Subject: Comments on NYM/2016/0013/CVC - Case Officer Mrs H Saunders - Received from Building Conservation at The Old Vicarage, Bondgate, Helmsley, York, YO62 5BP, Via Email: building@northyorkmoors.org.uk

The Coastal Community Fund Officer has worked hard to engage with the local community during the development of the mosaic hosting a series of workshops and creating feedback stations throughout the village. The set of images produced and colour palette chosen therefore reflect the desires expressed by the local community and as such should be well received. The images reflect much of the areas cultural heritage and this will reinforce the historic character of the Conservation Area in a section of streetscape that currently undermines the character of the village. The mosaicist has an excellent portfolio of previous work and as such there is confidence that the finished mosaic will be of a high quality. BD
