COPY

The above named Authority being the Planning Authority for the purposes of your application validated 14 March 2016, in respect of the proposed conversion of outbuildings to form 2 no. holiday letting cottages at Outbuildings at Lowdale Hall, Lowdale Hall, Sleights, has considered your said application and has granted consent in respect of the proposed works subject to the following conditions:

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby permitted shall not be carried out other than in strict accordance with the following documents:

Document Description	Document No.	Date Received
Letter from agent		16 June 2016 8 August 2016
Site location	2016/04/02 Rev B	16 June 2016
Floor plan	2016/04/10 Rev A	8 August 2016
Elevations	2016/04/11 Rev A	8 August 2016

or in accordance with any minor variation thereof that may be approved in writing by the Local Planning Authority.

3. The dwelling unit hereby approved shall not be used for residential purposes other than holiday letting purposes. For the purpose of this condition 'holiday letting' means letting to the same person, group of persons or family for period(s) not exceeding a total of 28 days in any one calendar year.
4. The holiday unit(s) hereby permitted shall form and remain part of the curtilage of the existing dwelling known as Lowdale Hall and shall not be sold or leased off from the main dwelling or let off except as holiday accommodation in accordance with the terms of condition 3 above without a further grant of planning permission from the Local Planning Authority.

Conditions (Continued)

5. This permission has been granted in accordance with the details specified in the survey prepared by R Agar Assc. Ltd received on 16 June 2016. More extensive works of demolition and rebuilding that does not accord with these details may render the permission invalid and may require a further grant of planning permission from the Local Planning Authority.
6. No work shall commence on the installation of wall linings in the development hereby approved until full details of all proposed linings, including materials, method of construction and sectional impact on reveals and jambs shall be submitted to and approved in writing by the Local Planning Authority. The work shall not be carried out otherwise than in accordance with the approved details.
7. No work shall commence on the installation of any external fixtures to the building to which this permission relates until details of all external fixtures have been submitted to and approved in writing by the Local Planning Authority. The details should include for provision for any exterior lighting, meter boxes, signage, wall or roof flues, television antennae and satellite dishes that may be proposed to be installed. The external fixtures shall be installed wholly in accordance with the approved details.
8. No work shall commence on of any part of the building to which this permission relates until a schedule has been agreed with the Local Planning Authority for the re-use of stone flags forming part of the building which are worthy of reuse on the site. The schedule shall detail where the stone flags will be used in the development of the site. Until such a time, the stone flags shall be carefully stored for later reuse in the proposed development of the site in the manner indicated in the schedule.
9. Where salvageable roof slates shall to re-used in the development hereby permitted. Otherwise, the roof of the development hereby permitted shall be clad in natural slate to match the roof of the existing building in terms of materials, colour and course height and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
10. The ventilation of any underdrawn loft space shall be submitted to and agreed in writing by the Local Planning Authority.
11. All pointing in the development hereby permitted shall accord with the following specification - a lime mortar mix of 1:2½ (lime; sand (sand mix of 50% sieved sharp sand and 50% builder's sand) with a slightly recessed bagged finish.
12. No work shall commence on the installation of any door in the development hereby approved until detailed plans showing the constructional details and external appearance of all external doors and frames (and glazing if included) have been submitted to and approved in writing by the Local Planning Authority. All doors shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

Conditions (Continued)

13. No work shall commence on the installation of any replacement or new windows (and glazing if included) in the development hereby approved until detailed plans showing the constructional details of all window frames to be used in the development have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. The window frames shall be installed in accordance with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
14. The external face of the frame to all new windows shall be set in a reveal of a minimum of 100mm from the front face of the adjacent walling and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
15. Trickle vents shall not be incorporated into any new windows hereby approved and shall not be installed thereafter unless otherwise agreed in writing with the Local Planning Authority.
16. No work shall commence on the installation of any rooflights in the development hereby approved until full details of the proposed rooflights have been submitted to and approved in writing by the Local Planning Authority. The rooflights shall be conservation style rooflights and shall be installed in accordance with the approved details and maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
17. All new window frames, glazing bars, external doors and door frames shall be of timber construction and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
18. No work shall commence to stain/paint the windows and doors in the development hereby approved until details of the paint colour/finish of the windows and doors has been submitted to and approved in writing by the Local Planning Authority. The work shall be completed in accordance with the approved details within six months of being installed and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
19. The guttering to the development hereby permitted shall be directly fixed to the stonework by means of gutter spikes with no fascia boarding being utilised in the development and shall thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
20. All rainwater goods shall be black painted cast iron and thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing by the Local Planning Authority.

COPY**Informatives**

1. All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.
2. The proposed development lies within a coal mining area which may contain unrecorded mining related hazards. If any coal mining feature is encountered during development, this should be reported to The Coal Authority. Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 08457626848 or at www.groundstability.com

Reasons for Conditions

1. To ensure compliance with Sections 18(1) of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
3. The site is in a location where new residential development would be contrary to NYM Core Policy J but permission for holiday accommodation has been permitted to ensure that a traditional rural building is conserved in line with NYM Development Policy 8.
4. The site is in a location where the occupation of the accommodation hereby permitted as a separate independent dwelling unit would be contrary to NYM Core Policies B and J.
- 5 & 6. In order to ensure that the development is carried out in a manner which safeguards the existing fabric of the building and to comply with the provisions of NYM Development Policy 5.
- 7 & 8. In order to ensure that the development is carried out in a manner which safeguards the historic fabric of the building and to comply with the provisions of NYM Core Policy G, which seeks to ensure that alterations to Listed Buildings do not have an unacceptable impact on the special historic or architectural interest of the building.

Reasons for Conditions (Continued)

- 9 – 11. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 12 – For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
20. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and confirm that the development in its current form is likely to preserve the economic, social and environmental conditions of the area.
