Date: 01 September 2016

Dear Mrs Marchant

Verification check of condition 37 of planning approval NYM/2014/0676/MEIA at Dove's Nest Farm & Haxby Plantation, Sneatonthorpe(proposed minehead); underneath 252 sq km of the NYMNPAs(winning & working of minerals); a corridor extending underground from the edge of the NP boundary to Wilton International Complex(mineral transport system); Lady Cross Plantation near Egton, Lockwood Beck Farm near Moorsholm, Tocketts Lythe, near Guisborough(intermediate shaft sites); site within the eastern limits of the Wilton International Complex, Teesside(tunnel portal)

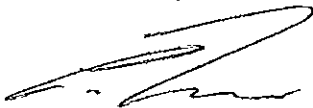

I refer to the original details submitted 25 April together with the additional information submitted on 04 August in relation to the above verification check application which was registered on 26 April 2016.

I would advise you that having assessed the information submitted with the above Verification Check; I can confirm that the details are acceptable in pursuant to Condition 37 of the above planning permission.

For the avoidance of doubt, this approval does not cover the Traffic Regulation Order (TRO) matters relating to the two junction works at/near Lady Cross Plantation related TRO's, a further submission will be required to fully discharge this condition to deal with Lady Cross Plantation related TRO matters..

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Mark Hill (Head of Development Management) at the above address.

Yours Sincerely

Mr C M France
Director of Planning
