Dear Mr Wharrick,

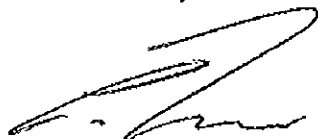

Verification check of conditions 7, 9 and 11 of planning approval NYM/2015/0064/FL at Eskdale Engineering Co Ltd, Sneaton Lane, Ruswarp

Further to my letter of 13th October 2016 regarding the above, I can confirm that the brick and door details submitted in relation to Conditions 9 and 11 are acceptable. I would also remind you that Condition 10 requires that the roof be coloured dark grey.

However, as the information requested in my letter of 13th October has not been submitted, Condition 7 (sound proofing measures) cannot be discharged under this application.

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Hilary Saunders (Planning Team Leader) at the above address.

Yours Sincerely

Mr C M France
Director of Planning
