I refer to the above verification check which was registered on 17 October 2016, and the subsequent revised details received on 22 November 2016.

I can confirm that the revised windows details (including the omission of the storm-proof section annotated with a dotted line on the submitted plan) are acceptable, in pursuant to Condition 9 of the above approval.

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Hilary Saunders (Planning Team Leader) at the above address.

Yours Sincerely

Mr C M France
