Informative

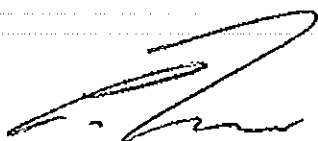

The proposed development lies within a coal mining area which may contain unrecorded mining related hazards. If any coal mining feature is encountered during development, this should be reported to The Coal Authority. Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 08457626848 or at www.groundstability.com

Reasons for Conditions

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
3. In order to comply with the provisions of NYM Core Policy A which seeks to ensure that new development does not detract from the quality of life of local residents.
4. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
5. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
