Dear Sirs,

Rear Extension to School Farm, Main Road, Aislaby, Whitby - Planning and Listed Building Applications
Ref NYM/2018/0118/FL and NYM/2018/0120/FL

We write with reference to the above revised planning application submitted by Mr David Wilson and wish to give our support to the plan.

The general development at School Farm has greatly enhanced the centre of the village. The rear extension, as it stands now, is an excellent addition and is very much in character with the rest of the development. The extension cannot be seen from the road and does not impact on the privacy or outlook of any of the neighbouring properties. We therefore have no objection to the proposed changes and fully support the revised application which has been submitted.

Yours faithfully

George and Eileen Henderson
