Dear Mr Collins

## Verification check of condition 10 of planning approval NYM/2016/0533/FL at land off Eskdaleside, Sleights

Thank you for the submission of the details of the heather planting on the bank sides at the above development site.

I can confirm that the specification provided in your email dated 2 May 2018 11:46 is considered to be acceptable and that works should be fully completed within the next 2 months. As stated in Condition 10, any trees or plants planted in accordance with this condition which, within a period of five years from the completion of the development, die, are removed or become seriously damaged or diseased shall be replaced in the current or next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation. The approved landscaping scheme shall be maintained in perpetuity unless otherwise agreed in writing by the Local Planning Authority

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Ailsa Teasdale (Area Planning Officer) at the above address.

Yours sincerely

Mr C M France  
Director of Planning
