WHITBY PARK & RIDE: Condition No 15 Surface Water drainage.

In accordance to Condition number 15 and the above planning ref number I can confirm that the scheme as shown on drawing BDS/WP&RE/2016/500A meets all the requirements set out under Condition No 15. This includes having a surface water run off restricted to a discharge rate of 1.4l/s/ha and a minimum of 722m³ attenuation storage will be provided.

Regards

Andrew Wood
