To Mr Paul Hogarth
c/o Journeyman Design Limited
85 Unity Centre
Bole Hill Road
Sheffield
South Yorkshire S6 5DD

The above named Authority being the Planning Authority for the purposes of your application registered 1 February 2012, in respect of proposed development for the purposes of **construction of two storey extension including basement level together with construction of subterranean garage and associated landscaping works following the demolition of existing garage and extensions at Keepers Cottage, Moor Road, Aislaby** has considered your said application and has granted permission for the proposed development subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
2. The development hereby approved shall be only carried out in strict accordance with the detailed specifications and plans comprised in the application hereby approved or in accordance with any minor variation thereof that may be approved by the Local Planning Authority.
3. Prior to any excavation works being undertaken in connection with the development hereby permitted a detailed scheme to provide for the maintenance of the structural stability and integrity of the existing and neighbouring buildings and boundary structures during the development shall be submitted to and approved in writing by the Local Planning Authority. The development shall then be carried out in strict accordance with the approved scheme.
4. No work shall commence on the construction of the walls of the development hereby permitted until details of the stone including samples if so required by the Local Planning Authority, to be used for the external surfaces of the development have been submitted to and approved in writing by the Local Planning Authority and the stone used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.
5. No work shall commence on the construction of the roof of the development hereby permitted until details of the type of slate including samples if so required by the Local Planning Authority, to be used in the development have been submitted to and approved in writing by the Local Planning Authority. The roof tile used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.
6. No work shall commence on the installation of any window or door in the development hereby approved until details of the finish of the external doors have been submitted to and approved in writing by the Local Planning Authority. The work shall accord with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.

Continuation of Decision No. NYM/2012/0046/FL

Conditions (Continued)

7. No work shall commence to clear the site in preparation for the development hereby permitted until a scheme which provides for the retention and protection of trees, shrubs and hedges growing on or adjacent to the site has been submitted to and approved in writing by the Local Planning Authority (herein after called the 'Tree Protection Scheme'). The scheme shall provide for a protection zone around each tree, hedge or shrub in line with the recommendations in BS5837 and shall provide for the erection of protective fencing to consist of a secure vertical and horizontal framework of scaffolding supporting chestnut paling or chain link fencing no less than 1.3 metres in height (or of a specification to be agreed) to delineate each protection zone. No work including tree felling or pruning, demolition work, soil moving, temporary access or construction and/or widening or any operations involving the use of motorised vehicles or construction machinery shall commence on site in connection with the development until the protection works required by the Tree Protection Scheme have been fully installed in accordance with the approved details. No excavations for services, storage of materials or machinery, parking of vehicles, depositing or excavation of soil or rubble, lighting of fires or disposal of liquids shall take place within any area designated as a Tree Protection Zone or otherwise protected in the approved Tree Protection Scheme. The protective fencing around each Tree Protection Zone shall not be removed or repositioned for the full duration of the development hereby approved without the prior written consent of the Local Planning Authority.

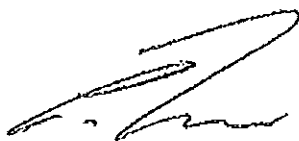

Informative(s)

1. At no point during the works is the adopted highway to be blocked or obstructed during the works.
2. The applicant is reminded that it is the responsibility of anybody carrying out building work to ensure that mud, debris or other deleterious material is not deposited from the site onto the highway and, if it is, it shall be cleared by the person.

Reason(s) for Condition(s)

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure the details of the development together with any subsequent insignificant variations as may be approved in writing, comply with the provisions of NYM Core Policy A and NYM Development Policy 3.
3. In order to avoid any unforeseen collapse of the building and ensure measures are in place to deal with potential problems in this respect and to comply with the provisions of NYM Core Policy A which seeks to ensure development does not prejudice the operation of adjacent land users.
- 4 & 5. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
