Dear Sir/Madam

Natural gas production and water re-injection at the existing borehole at Ebberston Moor South Well Site, the drilling of a second borehole for water production and re-injection, the construction of a 13.9 km long 12" diameter underground pipeline from the Ebberston Moor South Well to the Knapton Generating Station (KGS) at East Knapton, Malton and construction of ancillary works at the Generating Station at Ebberston Moor South Well Site, Ebberston Common Lane, Snainton to Knapton Generating Station, East Knapton

Further to requests that have been received seeking an extension to the statutory consultation period in which to comment on the application, I can confirm that the period has been extended to **24 October 2014**.

If you would like to make any comments on the application before it is determined, whether these are comments of support or objection, please send them **by the 24 October 2014** to the Authority. Comments can be made in writing to the above address, submitted using the form on the Authority's website or sent by email to planning@northyorkmoors.org.uk. Upon receipt your comments you will be acknowledged in writing.

Under the provisions of the Freedom of Information Act any comments received are available for public inspection and will be placed on the Authority's website should the matter go before the Planning Committee. If you wish to make a comment on an application it must be in writing and will become a matter of public record available for inspection. We will endeavour to remove all sensitive personal information prior to placing letters on the website and you are therefore advised to keep all personal details out of the main text of the letter.

Yours faithfully
